Please submit your answers to the following questions (max 200 words per question).

1. Charity Concierge is returning to Latitude Festival this summer; we want to make it even more successful than last year by being more visible amongst the festival crowds. Share some ideas of how we can make our [General Services volunteers](#) stand out from the crowds and raise more money through our drinks waiting and tent pitching services.
2. Mina is taking part in November's Ride Africa event and has got in touch with two concerns: one is about her fitness for the challenge, and the second concerns her fundraising as she is nervous about hitting the £1,800 target. Write a short email response to Mina below, answering her concerns.
3. Great news! Charity Concierge has been invited to bring our services to a brand new festival, but we need to recruit a further 40 volunteers in a region where we haven't worked before. How would you look to recruit volunteers for this new festival?
4. What attracts you to the Events Officer role at Child.org and why do you think you'd be a strong candidate for the position?
